Observe Veteran's Day With Grave Service, Legion Open House

Banks and Some Business Places to Close for Day. Legal Holiday

The American Legion and Veterans of Foreign Wars will unite in conducting a service Monday — Veterans Day at the Antioch cemetery.

A veteran's grave will be chosen at random as the place of the service scheduled for 11 a.m., an hour once observed on Armistice Day as the end of World War I.

John W. Horan, American Legion chaplain, will give the prayer for the dead, after which the firing squad will fire volleys, and the bugler will sound taps.

The American Legion will further celebrate the day with Open House from 11:30 a.m. on, serving lunch to all men in the community who wish to attend. A special invitation is issued to Antioch businessmen, W. V. Lahti, past commander said.

"We know many will be going pheasant hunting, and they are invited to drop in before or after the hunt," Lahti said.

Veteran's Day, a legal holiday, which sees the banks and some business houses closed, grew out of Armistice Day. A new generation which does not know the happiness of the World War I Armistice, and the succeeding wars made the original Armistice Day obsolete. It was changed to Veteran's Day, a day when veterans of all wars are honored.

Lake Villa Residents Killed on Way to Fla.

Leonard Kanka, 67, and Thomas Nachiolet, both of Lake Villa were killed in an automobile accident at Johnson City, Ill. Wednesday. They were on their way to Florida, where they planned to spend the winter at Ft. Myers. The accident occurred on Rte. 37, when their auto was struck by a car driven by Mrs. Hallie Nipper of West Frankfort, Ill. Mrs. Nipper is reported to be in serious condition.

Mr. Kanka was born April 3, 1889. He operated a coal and ice business in Chicago from 1914 until 1930, when he moved to Lake Villa, where he was in the coal and ice business until his retirement in 1947. He is survived by a sister, Mrs. Fred R. Pfaff of Chicago.

Mr. Nachiolet was a retired hotel man. Moving to Lake Villa in 1922. His wife Muriel preceded him in death, Jan. 29, 1955. There are no known survivors.

Emmons School to Hold Open House Nov. 10-16

The Emmons School Parents Club held its regular meeting Monday during which the principal, Mr. Blake, showed a film on "Answering a Child's Why."

National Education Week will be observed Nov. 10-16. The school will hold Open House. Parents are welcomed to attend class at any time during this week.

There will be a Variety Party by Mrs. Westphal at 8 p. m. Tuesday in the school basement. Everyone is welcome. Bette Heisman, Jane Meyer, and Alice Hunt will serve.

Refreshments were served by Agnes Ferris and Irene Bylinki. Next regular meeting will be on December 2 which also will be the Christmas party.

Chamber of Commerce Sets Saturday Dec. 7 As Date for Christmas Season Parade, Party

The Antioch Chamber of Commerce has set Saturday, Dec. 7 as the date for the opening of the Christmas shopping season in this village.

Santa Claus will arrive on that date to greet the children and in the evening the members of the Chamber of Commerce will have their annual dinner party. The big parade of last year will not be repeated this year, but a float will be provided for Santa Claus.

These plans were made Monday evening at a dinner meeting of the Chamber at the Rurallite which was attended by 42 persons, the largest attendance of the year.

Ralph Gresens, Mary Pechousek, Russell Barnstable, and Dick Erickson, were elected directors to take the place of O. I. Onstad, president; Ray Jensen, vice president and E. J. Sletten, treasurer, whose terms expire. Gresens succeeds himself be-

Lake Villa Assessment Roll Published

The assessment roll of the Town of Lake Villa as fixed by the assessor, appears on pages 12, 13, and 14 of today's issue of the Antioch News. Every resident of the Town of Lake Villa, which includes the Village of Lake Villa should make it a point to check up on the amount of his assessment.

Any property owner who objects to the amount of his valuation should file a formal complaint with the Board of Review within 10 days from the date of publication of this assessment roll.

High School Board to Seek 15c Increase In Educational Tax, But Omits Request For Building Fund Tax Increase This Time

Mrs. Julia Webb, 73, Formerly of Antioch, Dies in Orlando, Fla.

Mrs. Julia Webb, 73, former resident of Antioch, died Friday at a hospital in Orlando, Fla., where she had been a patient six weeks. She was a resident of that city.

The funeral service was held Monday morning at St. Peter's Roman Catholic Church at Skokie with interment in the church cemetery.

The Webbs moved to Florida about 10 years ago. Surviving are the husband, James Webb, a former Antioch constable; two sisters, Mrs. John (Cora) Dupre Sr., of Antioch and Mrs. Mary Elden, Evanston, and a brother, Joseph Hoffman of Evanston.

Robert Webb of Antioch is a stepson.

Mrs. Webb was born in Evanston and came to Antioch at the time of her marriage to Mr. Webb.

Wisconsin Musician to Direct High School Band at Fall Concert

E. C. Moore of Kenosha, Wis., will be guest director at the fall concert of Antioch High School's Concert Band. The concert will be held at 8 p. m. Friday, Nov. 15, in the high school auditorium.

Mr. Moore is the retired director of bands and music education at Lawrence College in Appleton, Wis.

Highlighting the Nov. 15 concert will be three special numbers. Soprano Melody Midgley will sing a popular selection from a recent musical play. Hornist Sonya Pickus, accompanied by Mrs. Margaret Aschenbrenner will perform the Beethoven "Horn Sonata." Bryan Cain and Ken Appleby will play a two trumpet arrangement of "Begin the Beguine." They will be accompanied by Mrs. Kenneth Young.

Tickets for the concert are available from A.T.H.S. music students and from the Antioch High School Music Association.

HAMS HEAR "SPUTNIK"
Members of the Antioch High School Radio Club have been listening to the chirps of the second Russian satellite.

Members of the club have picked up the signals on the 40 megacycle band on the club's communications receiver. At least, one of the boys, Charles Bruhn, has heard the signals on his own equipment.

Call letters of the "Sequoits" Radio Club are K9DYG.

Referendum Set Nov. 30 Larger Amounts were Turned Down in Referendum In September

Voters of Antioch Township High School Dist. 117 will be asked to go to the polls on Nov. 30 for the second time to vote an educational tax increase, only this time it won't be so much.

And there will be no request for an increase in the building fund tax as was asked before.

This time the Board of Education is asking approval of a 15 cent increase on the \$100 assessed valuation instead of 21 cents which was turned down in the previous election by a vote of 658 to 376.

"The Board feels this second request is more in line with the thinking of the local taxpayers," Principal Albert Dittman said.

The voters in the earlier referendum turned down an 8 1/2 cent increase in the building fund tax which is now 10 cents on the \$100 assessed valuation.

The successful passage of the 15 cent increase in the education fund could mean that a home valued at \$12,000 and assessed at \$5,000 would pay \$7.50 more in taxes. The money derived from this tax increase would not be available to the Board until the school term of 1959-60.

The increase in student enrollment demanding teachers, the purchase of additional equipment and supplies, and the need for continuous maintenance and repair of the school plant causes the Board to ask the citizens for adequate funds to operate on in 1959-60, Principal Dittman said.

Speak Before Groups
Board members are going before various groups explaining the needs of the school.

Prin. Dittman and Mrs. Ruth Seyfarth spoke to the Antioch Woman's Club Monday afternoon and Directors Lester Hamlin and Arthur Seckatz and Prin. Dittman spoke to the Chamber of Commerce Monday evening on the desirability of approving the proposal at the polls Nov. 30.

Other appearances are those of Dr. Richard A. Carlucci, Harold Wilson and Dittman at the Lindenhurst Men's Club; Dr. Carlucci, Millburn Cain, Hamlin Seckatz, and Wilson at the Channel Lake Community Club on Nov. 12; Seyfarth, Cain, Wilson and Dittman at the Grass Lake PTA on Nov. 18.

Other appearances are being arranged.

Prince of Peace HNS Hears Talk by Hopkins

Ten new members were inducted into the Holy Name Society of Prince of Peace Parish in a meeting at the new school building at Lake Villa, Oct. 14.

An interested audience was enlightened by a talk on the origin of the various faiths by James Hopkins, Waukegan. Hopkins is now associated with Abbott Laboratories. He is a former vice president of the Chicago diocese Holy Name Society and is noted for his lay-apostolate work.

During the business meeting, plans were finalized for the annual turkey party and Thanksgiving dance on Saturday, Nov. 23. The affair will be held at the George Diamond Country Club. More than 1,100 pounds of turkey will be distributed and the proceeds will be given to the parish building fund.

Refreshments were served after adjournment.

All the men of the parish are invited to become active members of the Society.

The next regular meeting will be Monday. The guest speaker will be the Rev. Louis Kerry, C.S.S.R. from Fort Sheridan.

Sabesta on Mythical All-Conference Team; Grayslake Champions

Rams Defeat Sequoits 65-0; Basketball Opens November 16

Frank Sabesta, senior guard, and one of Antioch High School's three football captains, was chosen on the all-conference team chosen by the coaches of the Northwest Suburban Conference.

He was the only one of the Sequoia players to make either the first or second teams.

Grayslake, the champion, Lake Forest and Warren each placed three men on the mythical all-conference team with Grant supplying the eleven.

The team selections were as follows:

First team — Robinson, Warren, center; Beck, Grayslake, and Sabesta Antioch, guards; Gosharia, Grayslake and Kuhlman, Lake Forest, tackles; Verbece, Lake Forest, Block, Warren ends; Von den Linden, Lake Forest, quarterback; Farms, Grayslake, and Fugette, Warren, halfbacks; and Jensen, Grant, fullback.

Second team — Winter, Elaverton, center; Hertle, Lake Forest and Nemeth, Elaverton, guards; Buchele, Warren, and Klein, Grant, tackles; Harms, Grant, and Lombard, Grayslake, ends; Herbert, Grayslake, and Olson, Round Lake, halfbacks; Rickeson, Warren, fullback; and Zehmi, Elaverton, quarterback.

End Season With Sophs
The Antioch High School Varsity team, made up mostly of sophomores ended the season last Saturday at Grayslake with what probably was the most decisive defeat that has ever been inflicted on it 65 to 0.

The game in which the Sequoits succumbed to the conference leaders served merely to give the sophomores the experience that will prepare them for next year's battles.

While playing against sophomore teams they more than held their own, and pitted against them next year should do a good job.

Failure of the upperclassmen to catch fire as they did last year caused Coach Robert Walther to switch to the underclassmen.

With football a thing of the past for Antioch High this year, attention of the school will now turn to basketball.

Coach Lawrence Leon will be in charge of the varsity; Stuart Good will coach the sophomore team; and William Romoser, freshman coach.

Antioch will be one of the earliest of schools to open the basketball season, playing Libertyville there Nov. 16. This gives the squad about two weeks to get ready.

Alfred Hansen Stricken

The Antioch Rescue Squad took Alfred Hansen, of Trevor to Victory Memorial hospital at 10 p.m. Tuesday after he suffered a heart attack while engaged in square dancing at the Trevor fire station. Hansen, married, is the father of four children.

Stop Board Meeting To View Bright Object In Sky Over Antioch

Members of the Village Board recessed their meeting suddenly Tuesday night and gazed skyward at what they were told was a sputnik—earth satellite.

They darkened the council chamber to get a good view and saw a bright star-like object crossing the sky from southeast to northwest. It was the same object that Mrs. Walter Scott, wife of Police Chief Scott reported seeing over Lake Michigan a short time before.

What was it?

The Russian satellite was not due at the time—9:40 p. m., and its direction was from southwest to northeast.

Many believe it was one of the many balloons that scientists are sending into the stratosphere.

Many in Lake County saw sputnik, however, in the early morning.

Salem Central Upsets Watertown 13 to 6

Central's Falcons upset Watertown 13-6 Tuesday evening in a game played at Central. It was the Falcons second win of the season, and a mighty big one it was. Watertown was knocked out of first place standing and now is 4-1-1.

The Falcons played a tremendous game against the Watertown powerhouses, holding them scoreless until the third period.

Central took a 6-0 lead at half-time when big fullback Art Perry rammed off tackle for 20 yards, capping a 55-yard drive.

After Watertown tied it up, Central came back with the winning touchdown in the fourth quarter, Perry crashing through from the five after a 67-yard march. Quarterback Ron Nelson ran for the extra point.

But the game wasn't over. Watertown drove for a tying touchdown and almost got it.

With the clock running out, the Goslings completed a 27-yard pass to reach Central's eight. The Falcons threw them for a three-yard loss on the next play and, on second down, Watertown tried a pass that was incomplete. An eight-yard run on third down moved the ball to Central's three, then a fourth down plunge was stopped two inches short of the goal.

One quarterback sneak by Central ran out the clock and the Falcons' great goal line stand had won the game.

Buys Rosing Building
A transaction is to be completed today by which Russell Barnstable of the firm of Barnstable and Brogan, will purchase from William Rosing the building on Main street recently vacated by the National Food Co.

Mr. and Mrs. Barnstable are buying the building, but it will be occupied after the first of the year by the drygoods firm, which can well use the additional space the building supplies for the firm's growing business.

Village Board Backs Community Chest Idea Proposed by C. of C.

Holds Up Tag Day Permit; Firemen Seek Two-Way Radio Alarm System

The Village Board is cooperating with the Chamber of Commerce in its plans to establish a Community Chest and thereby limit if not put an end to tag days in Antioch.

This was seen Tuesday night when the trustees delayed giving a permit for a tag day to the Antioch Grade School Band Parents Assn., and promised to place that appeal at the top of the list in any local Community Chest drive.

Mrs. Harold Young, representing the Band Parents Assn. said that a tag day is sought for July 5 through which the group might raise money to pay hotel expenses of the school band when it goes to the state contest next year.

"We found that the early departure and late return was too much for the children," Mrs. Young said. Mrs. Young pointed out the achievement of the band in the last three years and said that money previously raised had been used to purchase uniforms.

President Murrill Cunningham said that the tag days have become so frequent that they are driving shoppers away from the village.

Want Alarm Radios for Firemen
Fire Chief Edgar Simonsen told the Board that the fire department wants a two-way radio system serving 25 members for alarm purposes. He said the transmitter and receivers would cost about \$6,000, and that the department would pay \$4,000 if the village would pay the rest. He said the sets would be maintained by the county and that a wave band has already been reserved for Antioch in event it ever wants it.

He said that Fox Lake, Grayslake, Mundelein, Bonnie Brook, and other Lake County departments have the system, and that it will be of (continued on page 5)

Frederick D. Pollard First of 5 Speakers In Methodist Series

The Antioch Methodist Church will begin a fall series on important issues Tuesday with the appearance of Frederick D. Pollard Jr. administrative assistant of the Commission on Human Relations of the City of Chicago, as speaker. Pollard's subject will be "The Church and Race."

The son of a famous Negro athlete, and himself an outstanding star in various sports during his college career, Pollard participated with the American team in the Olympics at Berlin in 1937.

He has been with the Commission for eight years.

Among other things, Pollard will discuss the broad implications of population changes throughout the metropolitan area of Chicago.

A potluck supper will be shared at 6:30 p.m. and Pollard will speak afterward.

Anyone in the community who is interested in hearing this speaker is invited to come to both the supper and address.

A question and answer period will follow the address.

The series will continue for five Tuesday evenings. The Rev. Edward Hawley, pastor of the Warren Avenue Congregational Church will continue the theme "The Church and Race," on Nov. 19. Hawley is pastor of an integrated church of white and negro members.

Grand Opening of New Moose Home a Success

The grand opening of the new Moose Home was a huge success and several hundred persons viewed the new quarters of the L. O. O. M. lodge on Saturday, Nov. 2.

The Rev. Edmond Hood of St. Ignatius church gave the invocation and blessing of the home. This was followed by a speech by Earl W. Horton, director of membership conservation at Mooseheart, whose subject was "Living today in the Double-A Age."

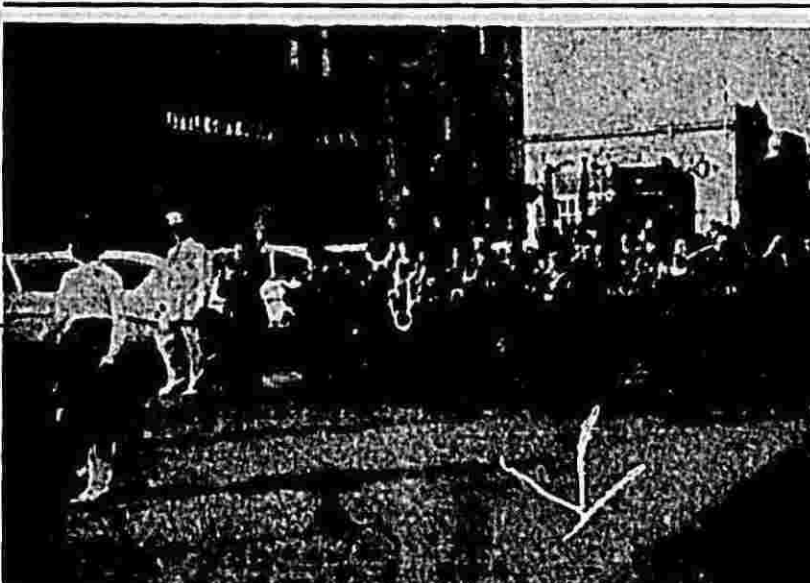

This age, he said, is the age of the "Atom and Automation."

"Our freedom in this great nation is shown by the fact that we are privileged to operate our beloved Mooseheart and Moosehaven."

Following the service there was dancing to music furnished by Ken Kirchmeyer and his band, with Mrs. Kirchmeyer at the organ.

Lunch was served by the women of the chapter.

Teen-Agers Can Drive Safely

Student school-bus drivers in North Carolina are rolling up a safety record that provides a strong rebuttal to often-repeated charges of teen-age recklessness on our streets and highways.

This fall, the young North Carolinians are hauling approximately 600,000 of their schoolmates to and from classes. By June, they will have logged another 50,000,000 miles, in all kinds of weather, on the roads that cut through the soft red earth and the high green pines of the Tarheel State.

The teen-age drivers, 7,000 of them, run the largest pupil-driven school transportation network in the United States. They have given North Carolina—first state to turn over the wheel to youth—one of the best school-bus safety records in the nation.

South Carolina, and a score of other states, notably in the South and Southwest, according to the U. S. Office of Education, are following North Carolina's leadership in some degree. They are developing common sense and responsibility in the hot-rod generation.

This goes to prove that teen-agers not only are very skillful drivers but also have excellent judgment. The big problem seems to be that they fail to use the good judgment they possess.

Economic Highlights

Events moved fast after the Soviet launching of Sputnik, the "baby moon"—coming as it did, hard on the heels of a Soviet claim that they had perfected some form of interplanetary ballistic missile.

The initial reaction to the earth satellite, naturally enough, was generally one of surprise and shock. The ballistic missile claim could and has been discounted to some extent. But Sputnik was something else again. It was no communist propaganda trick. Scientists and others the world over saw and tracked the satellite—whizzing around the earth at 18,000 miles an hour at a height of more than 500 miles—and recorded its radio transmissions.

The concern, of course, was not over the satellite itself. Sputnik was not a weapon, and there was no reason to fear it. The great danger—in Western eyes—is that Soviet science may have a big lead on the rest of the world, most particularly in the field of rocketry. The satellite, according to the scientists, must have been launched by a staged rocket—a device which is almost unbelievably complex and difficult to construct. Such rockets, once they are sufficiently developed, will be able to launch guided missiles of great accuracy and almost limitless range. And it is no secret that this country and the Soviet Union are in a grim race to produce practical intercontinental missiles with H-bomb warheads.

President Eisenhower, a few days after Sputnik's launching, went to considerable length to discount the military importance of the satellite, and to re-

assure this country as to where we stand. Soon, he said, we will send up a series of small test satellites, and in March launch one scientifically superior to the Russians'. And he stressed that we are giving top priority to missile development.

However, there is no doubt that the satellite has given Washington a great deal to think about. The new Secretary of Defense, Neil H. McElroy, said at his first press conference that it may be necessary to speed the missile program. The satellite, he added, proves that Soviet science has made great progress with missiles.

That brings up a really big three-pronged question—are we lagging behind in the missile race; if so, why, and what can be done about it? Numerous experts think we may be lagging, and one reason is frequently given. The Portland Oregonian puts it in these words: "... the U. S. Missile program is lagging chiefly because of jealousies and bickering among the three armed services competing in this field, and because the U. S. Defense Department has failed to force them to work together amicably." There is small doubt that the Army, the Navy, and the Air Force, have all tried to take the center of the spotlight—and to obtain the lion's share of the vast funds involved in missile research, testing and development. The result, say many observers, has been a waste of money, materials, manpower and what may be the most precious commodity of all—time.

The Oregonian proposes a simple solution—that we "... get all our brains in the same laboratory, and quit worrying about the color of the uniforms." If the Soviet satellite helps to bring that about, our cold war enemies will obviously have done us a big favor.

What If You Home Burned Down?

What would you do if your house burned down? There's a superficially easy answer to that question—you'd rebuild it with the insurance money.

However, unless you're one of a comparatively small minority of people, you'd be shocked to learn just how inadequate your fire insurance coverage is.

The main reason that is true is explained by one little word—inflation. Sylvia Porter tells the story in one of her recent syndicated columns. A house that cost \$8,000 in 1937 would cost \$21,000 to replace today. A house that cost \$12,000 as late as 1946 carries an \$18,300 price tag now. So it goes. Miss Porter quotes an authority on the subject as saying: "There's no doubt that the overwhelming percentage of America's tens of millions of homeowners are underinsured."

And that isn't the whole story. The same thing is true, and in many cases to an even greater degree, of the contents of our homes. We buy all manner of things over the years, and we just don't realize how much the total worth comes to. Then, on top of that, inflation has driven up the replacement cost of all commodities, just as it has driven up construction and repair costs.

This year fire losses will hit an all-time high, and may reach or pass \$1 billion. Your home and everything in it could help make up that grim statistic.

Your \$2,400 Tax Bill

Are you interested in startling facts? Here's one produced by a recent study: Last year taxes—levied by the federal, state and local governments—took an average of \$2,400 from each of America's 42 million families. Part of this was paid directly and part of it indirectly. Either way, it came out of our pockets and left us poorer.

enjoyed the Halloween party given by the VFW Auxiliary Thursday night. The candy, prizes and refreshments that were left were given to the patients at the Lake Villa Rest Home. The following organizations donated to the party: Salvation Army Unit of Lake Villa, \$5, VFW Post 55, and Veterans Club, \$5.

Mr. and Mrs. Carl Behrens and son, Jeffery, from Hebron, were Sunday afternoon callers at the Emmet King and Wilson King homes.

Wilbur Hunter was a Sunday afternoon and supper guest at the home of his sister, Mrs. Edna Hol-dorf at Bristol.

Mr. and Mrs. Harold Butler and family of Waukegan were Sunday afternoon and evening visitors at the Curtis Wells home. Their daughters, Georgia and Kathy, were supper guests of their little cousins, Elaine and Carol Wells, at the Richard Wells home.

Mr. and Mrs. Otto Ames and family of Fox Lake, were Sunday evening visitors at the Rod Ames home. Oscar Finkel left Monday morning on a few days trip to St. Louis, Missouri.

Mr. and Mrs. Ray Carney of Kenosha were Monday callers at the Bert Edwards home.

The Parents Club of Wadsworth Townline school will serve a smor-

gasbord Saturday, Nov. 9, from 4 until 8 p. m. at the Wadsworth school, which is located 2 miles west of Green Bay road on Wadsworth road. The public is invited.

Raymond Wells and children of Waukegan were Sunday afternoon visitors at the Curtis Wells home. Mr. and Mrs. Albert Panzer of Libertyville visited the Gordon Wells family Sunday afternoon.

Mr. and Mrs. Fred Leable visited their daughter, Mrs. Blanche Alver-son, at Kenosha, Sunday.

Mr. and Mrs. Ward Edwards and son from Rockford spent Sunday at

the Bert Edwards home. Mrs. Eva Alling of Waukegan was a Sunday afternoon caller at the Edwards home.

Mr. and Mrs. Earle Moeller and Mr. and Mrs. Robert Day attended a banquet at Waukegan, Wis., Sunday evening.

Kathleen, Gary, Joel, Janet and Priscilla Strahan of Antioch were Sunday supper guests at the home of their grandparents, Mr. and Mrs. John Strahan. Sunday evening visitors at the Strahan home were Mr. and Mrs. William Lux and daughter, Eileen, from Waukegan.

The kind of driver we all like...

Like everybody else, we prefer courteous drivers who know and observe the rules of the road. But even "ideal" drivers can get into accidents... and even they suffer serious losses if they're not adequately insured. Make sure you have the complete coverage you need. Come in to see us for a "car insurance check-up."

Norma and Gordon Blumenschein, Jr., were absent from school last week because of illness.

Mrs. Leona Abner was ill at her home for two weeks with the flu.

Mrs. Stanley Hollis of Waukegan was a Lake Villa visitor last Wednesday.

Mr. and Mrs. Harold Fillweber of Antioch were Lake Villa visitors Wednesday.

Mrs. Bernard Schneider, Carla Bartlett and Mrs. Fred Bartlett, Sr., were Kenosha visitors Tuesday.

Carol Bartlett was called home last Sunday to Alton, Ill., because of the serious illness of her father. She was accompanied there by her husband, Fred Bartlett, Jr., her daughter, Carla, and her aunt and uncle, Mr. and Mrs. Stanley Hollis of Waukegan. Saturday, he passed away.

Mr. and Mrs. Ray Miltmore and family of Long Lake were visitors last week at the Bernard Schneider home.

Mr. and Mrs. Roscoe Baker of Rockford were visitors Saturday at the Clarence Blumenschein home on Burnette ave.

Carol Hollis of Waukegan was a week-end visitor at the home of Mr. and Mrs. Fred Bartlett, Jr. She also visited the Ralph Abner home on Grand Ave.

The next Royal Neighbor meeting will be Tuesday, Nov. 12. It will be the annual turkey and pot luck dinner, starting at 6:30 p. m. at the village hall.

Mrs. Marion Mobile and family of Lake Bluff were visitors Sunday

at the home of Mr. and Mrs. Bernard Schneider on Grand Ave.

Mr. and Mrs. Harold Fillweber and daughter, Barbara, of Antioch were visitors Sunday at the Everett Galliger home on Grand Ave.

Mr. and Mrs. Jacob Fish entertained the 500 club at their home on Villa ave. Saturday, Nov. 2. Those present were Mr. and Mrs. William Fish, Ann Nelson and Lela Barnstable, all of Lake Villa; Edna Cable and Sheridan Burnette of Antioch, Mr. and Mrs. Leo Keisler of Twin Lakes, Wis., and several others from Lake Villa.

On Monday, Nov. 11, 1957, at 8 p. m. at the VFW Home on Grand ave. and Soo Line road, the VFW Post 4308 of Lake Villa and the American Cancer Society will present the film, "The Other City," highlighting cancer and the seven danger signals. Dr. Walter J. Reedy will be the guest speaker. The

public is invited. Refreshments will be served.

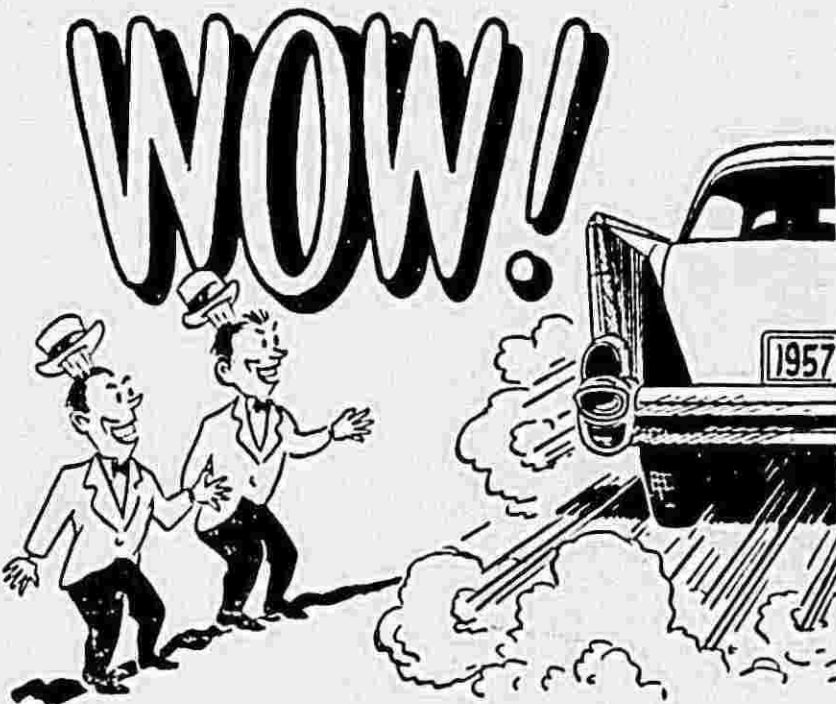

The three baton twirlers, Linda Ladewig, Norma Blumenschein and Patricia Dibble of the Lake Villa grade school will twirl in Chicago Thursday, Nov. 7, on station 11 between 4 and 5 p. m. on the Totem Club program.

Sheltered Workshop For Retarded Youth Now in Operation

Since early September, the door to useful activity has been open to 10 youngsters who a few years ago faced a life of hopelessness with no program to meet the mental retardation with which they were born. The youngsters are happy, feel useful to society and have the satisfaction of knowing that they can make things to sell.

The "door to opportunity" was opened by the Retarded Children's Educational Society of Lake County with the establishment of a sheltered workshop in the old Druce Lake school at Route 45 and Rollins road for students 16 and over.

Under adult supervision, the boys and girls are busily occupied weaving rugs and baskets, making lunch-eon sets and hot pads, working on leather belts, watchbands and coin purses or engaging in woodwork, plastic jewelry and other handcraft.

These teen-agers are reportedly a very well-behaved group of students. Most of them received earlier training and education in classes sponsored by the society in Zion, North Chicago, Libertyville and Gurnee during the past three years.

Make Articles for Christmas

The workshop is in operation under the direction of Alex Brown, a former carpenter-contractor. Articles, suitable for Christmas or birthday gifts, are now on sale to the public at the work shop.

"These youngsters are eager and proud to be able to produce articles they can sell to the public, knowing they will receive money for them," observed Wesley Brown, president of the society.

"It gives them a feeling of security, because they can work at their own pace and not in the competitive atmosphere of industry. They can feel useful and wanted," he added.

In addition to making products for the workshop, the students will soon be doing simple manual work on a subcontract basis for local industries that have begun to show interest in the program.

The society supports the program with nominal tuition from its members and from donations from interested civic groups and organizations in the county.

High School Gets New Display Rack For Grad Photos

Viewing the new multiplex at Antioch Township High School that contains pictures of graduating classes, are, left to right, Patricia Dressel, Forrest Stehmer, Barbara Yates, and Roger VanPatten. The all-purpose display floor stand and glass panels was purchased by the Board of Education to preserve the pictures and make them easily accessible. Pictures sought are those of classes prior to 1931, and the following years: 1932, 1933, 1942, 1943, 1945, 1946, 1947, and 1948.

Druce Lake. Visitors are welcome. Twelve members of the Pilgrim Fellowship attended the Halloween Pilgrim Fellowship meeting at Ivanhoe Sunday evening. Also the young people from Mundelein and Half Day attended.

Rev. L. H. Messersmith attended a committee meeting at Oak Park Monday evening.

Mr. and Mrs. Bernard Prange and daughter, Gloria, of Lake Forest spent Sunday afternoon and eve-

ning at the Herbert Prange home.

Mr. and Mrs. Robert Erwin of Waukegan were callers at the home of Mrs. Frank Edwards Sunday afternoon.

Mr. and Mrs. Orville Hairrell, Jr. and sons of Waukegan, Mr. and Mrs. Elmer Hauser and children of Beach were callers at the Frank Hauser home Sunday afternoon.

Philip McDonald and sons of Rockford spent the week-end at the A. B. McDonald home.

Miss Judy Paulsen and Miss Carol Stouffer of Evanston hospital spent the week-end at the William Paulsen home.

The Parents Club of Wadsworth Town-line school will serve a smorgasbord Saturday, Nov. 9, from 4 p. m. until 8 p. m. at Wadsworth school, Wadsworth, 2 miles west of Green Bay road on Wadsworth road. Proceeds will benefit the hot lunch program. Tickets will be available at the door. The public is invited.

A NEW KIND OF CAR IS BORN!

At Your Pontiac Dealer's Nov. 9

BOLDEST ADVANCE IN 50 YEARS!

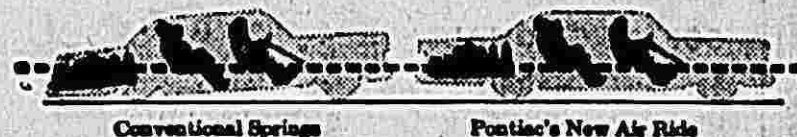

THE GOLDEN JUBILEE CAR!

It's a revolution on wheels—boldly planned from the very beginning as a Golden Anniversary showpiece for Pontiac and General Motors.

This one you really must see—here is a car unlike any you have ever known! This Golden Jubilee Pontiac is actually an all-new breed of cars—in four brilliant series and 16 sleek models covering virtually every price bracket.

In all of them you'll find engineering advances so daringly different yet so basically sound that they will trigger the next big change in automobile design. You'll find a few of these ideas illustrated here, but even they can't begin to tell the full story.

Why not be among the first to discover the newest. When you meet this bold new Pontiac, you're in for a driving thrill that is impossible to duplicate in cars of conventional design. So make it a point to see your Pontiac dealer soon and prove to yourself that no car in history ever left yesterday so far behind!

Ever-Level Air Ride*

The most perfect suspension system ever designed—and Pontiac's revolutionary Aero-Frame is specifically designed for it! Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!

*An extra-cost option.

Aero-Frame STABILITY

Here is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box type used on other cars.

Circles-of-Steel SAFETY

Pontiac's completely new body construction surrounds you with girder steel protection—above, below, fore and aft. Now you can drive with wonderful new peace of mind!

Quadra-Poise ROADABILITY

Only the wheels know where the bumps are! Pontiac's new suspension geometry ends dive, sway and bounce to bring you the smoothest ride, easiest handling you've ever known!

Tempest 395 PERFORMANCE

Try Pontiac's new jewel-action response! Scores of exclusive engineering innovations make Pontiac's hefty power plant a miracle of smoothness... and you can choose from four horsepower ratings including Tri-Power Carburetion* and Fuel Injection*.

SOCIETY EVENTS

Marilyn Furlan and Gordon Alan Heuer Wed at St. Peter's

Marilyn Furlan, daughter of Mr. and Mrs. John Furlan, Loon Lake Rd. became the bride of Gordon Alan Heuer, son of Mr. and Mrs. George Heuer, recently at St. Peter's church, Antioch. The Rev. Fr. Francis Johnson officiated at the ceremony.

The bride, given in marriage by her father, chose for her wedding a gown of imported chantilly lace over satin. Rose Ellen Furlan was her sister's maid of honor and Kennedy Heuer was his brother's best man. Bridesmaids were Katherine Mogavero, Mary Faris, Joanne Quilty and Mitzi Wolf. They wore floor length gowns of lavender chiffon. Joseph Mogavero, Lorenz Lass, Joseph Pecchulis and Richard Hedberg were ushers. Dale Heuer served as ring bearer.

Both Mr. and Mrs. Heuer are graduates of Antioch Township High school and the bridegroom attended LeTourneau Technical Institute at Longview, Texas.

A reception was held following the ceremony at the American Serbian Hall, Bellwood, Ill. The newlyweds spent their honeymoon in New York City.

Mr. and Mrs. Gordon Alan Heuer

Woman's Club Hears Reading on Book of Anne Morrow Lindberg

The Antioch Woman's Club met on Monday afternoon in the Scout House where Mrs. O. W. Turner presented readings from Anne Morrow Lindberg's "Gift From the Sea" and gave a resume of her life.

Principal A. L. Dittman of Antioch Township High School and Mrs. Ruth Seyfarth, school board member, were present and explained the newly planned school referendum.

A notice was read for the art chairman, Mrs. Einar Petersen, requesting members to visit the Picasso exhibit now on display at the Chicago Art Institute.

ANTIOCH O. E. S. CHAPTER TO ELECT ON NOV. 14th

Antioch chapter 428 of the order of Eastern Star will have a stated meeting Thursday, Nov. 14, at 7:30 p. m. in the Masonic Temple. This will be the annual meeting and election of officers. Mrs. Lillian Woods is worthy matron and Emil Kirschbaum is worthy patron. Refreshments will be served in the dining room following the meeting.

ANT. BUS. WOMEN HEAR TALK ON ALLENDALE SCH.

Mr. Clare Appleby of Allendale school for boys at Lake Villa, spoke before the Antioch Business Women's club Monday evening at the Scout Home. Mr. Appleby told of how the school is run and maintained, and also told and explained how the school gets its boys. The aim of the club is to help a desiring student, graduate of Antioch Township High school, in going to college, through its student loan committee.

FAITH EVANGELICAL CHURCH ANNOUNCES XMAS BAZAAR

The Ladies Aid of Faith Evangelical Lutheran church of Antioch announces a Christmas bazaar and bake sale to be held in the church basement, Friday, Nov. 15, noon until 9 p. m., and Saturday, Nov. 16, 9 a. m. till 2. Such items as fancy work, aprons, Christmas wreaths, candy stuffed animal toys, plants, and other Christmas items. The monthly meeting of the Aid has been postponed one week because of the bazaar.

Jack Dupre, son of Mr. and Mrs. John Dupre, was taken to St. Therese hospital Tuesday for observation.

W. S. C. S. EVENING CIRCLE TO HOLD MEETING AT POLLEY HOME

The Evening circle of the Women's Society of Christian Service will hold a regular meeting Thursday, Nov. 14, at the home of Mrs. Warren Polley, 998 Osmond Avenue. The program chairman, Mrs. Robert Irish will introduce Mr. Frank Dennison, Youth Counselor at the Antioch Township High School, speaker of the evening. His subject will be "Unto the Least of these," concerning the youth of today. Mrs. Kenneth Smouse will lead the devotions. The meeting will be called to order by the president, Mrs. Donald Cramer.

ANNUAL THANKSGIVING DINNER TO BE SERVED BY ALTAR & ROSARY SOC.

St. Peter's annual Thanksgiving dinner and festival sponsored by the Altar and Rosary and Holy Name Societies will be held on Sunday, Nov. 10. Everyone is invited to come and enjoy a delicious turkey dinner which will be served by the ladies of the parish in the school hall from 12 noon to 6 p. m. Mrs. Thomas Runyard and Mrs. Jerry Vogler are co-chairmen in charge of the dinner.

Mr. and Mrs. Irving Walsh returned recently from a few days visit with friends in Chicago, and two days at Starved Rock.

Engagement Told

Mr. and Mrs. Edward G. Corney announce the engagement of their daughter, Paula Marie, to John K. Larsen, son of Mr. and Mrs. Steve Sweeney of Lake Villa. They plan a spring wedding.

Fred Hawkins, Jr. on T-V

Antioch television viewers last Saturday and the Saturday before got much enjoyment watching Fred Hawkins, Jr., son of Mr. and Mrs. Fred O. Hawkins of 689 Main st., Antioch, plan in match golf with the best professionals in the country.

Young Hawkins won in the first match but lost in the second one. Even in defeat at an Arizona golf course he was three under par for a par 72 course. The winner, Ed Furdal shot a five under par.

Members of the Antioch Rescue Squad observed a Ladies' Night meeting Saturday with a dinner at Pregonzer's resort. Thirty-four were present.

Club Dancing
Lake Promenaders Square and Round Dance Club will hold their regular Intermediates Dance Saturday, Nov. 9, at 8 p. m. in the gym at Grayslake Grade School, Rte. 120 and Lake st. One new round dance will be taught.
Callers will be Fred and Minette Woods.

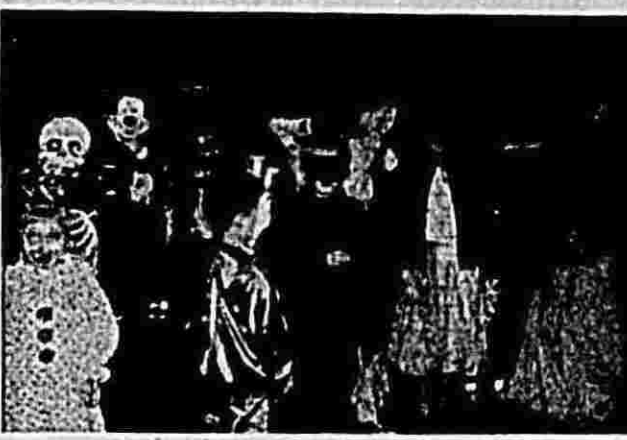

Otto Hanke Sr., Antioch, Celebrates 84th Birthday
Otto Hanke Sr. celebrated his eighty-fourth birthday anniversary last Friday by cutting and shocking 40 shocks of corn, taking care of two horses, six head of cattle, 19 pigs, and 80 chickens. He gets up at 6 a.m. and works until 6 p.m., all of which isn't so bad for a man of his age. Mrs. Hanke will serve a dinner for 16 in his honor Sunday.

Mrs. Errol Clark, formerly June Hunter, and daughter, Janet, have gone to Heilbronn, Germany, to join Mr. Clark, who is stationed there with the American military force. They left on Oct. 28 and made the trip by airplane. They will be gone three years.

Pledged to Sorority
Miss Joan Cervenka, a junior at Lake Forest College, has been pledged to Alpha Phi sorority. Miss Cervenka is the daughter of Mr. and Mrs. George Cervenka of Route 1, Antioch.

ANNOUNCING
Doctors Richard Carlucci and B. H. Berke are pleased to announce the opening of their new offices, at Orchard and Hillside Ave. They wish to express their gratitude for the understanding and cooperation of any patient, who may have been inconvenienced, during the move to their new location. Hours by appointment only. Telephones Antioch 36 and 20.

Part of Group at Halloween Party of G. Lk. Cub Scouts

Grass Lake Cub Scouts, Pack 80, had a very successful Halloween Party and Pack Meeting. There were approximately 72 children and parents in attendance. Games were played and refreshments served and everyone reported having a good time. Awards given were as follows: Bobcats: Bobby Besso, and Mike Snyder. Wolf Badges: Michael Gibbons and Danny Coons. Lion Badges: James Cogdill, Denner, Boys; James Dobson and Leonard Rosok. Year Pin: Karl Hawkins.

G. A. A. Host at Conference Play Day At Antioch High School Gym Saturday

"Dog Pound" was the theme of the Antioch Township High school G. A. A. Play Day which was held Nov. 2 in the high school gymnasium. The schools which were represented in the event were: Grayslake, Gurnee, Ingleside, Lake Zurich, Libertyville, North Chicago, Round Lake and Waukegan.

The morning began with registration and general get acquainted period; guests were welcomed by Warren Polley, assistant principal and Peggy Cardiff, vice-president. The girls were divided into eight teams representing different breeds of dogs and were as follows: Labrador, German Shepherd, Chihuahua,

Collie, Bulldog, Daschhund, Spaniel, and Scottish Terrier. Each of the teams rotated, playing the following games: volleyball, basketball, battle ball, and relays.

With the strains of the different school songs, the group ate lunch together in the cafeteria. Advisers from the various schools were introduced at this time.

Entertainment by the local G. A. A. was next presented. It consisted of a piano duet by Norma Brown and Sue Romer; an accordion solo by Carolyn Westberg; the Nairobi trio made up of Barbara Poulsen, Sue Romer and Trudy Good; introduction of Yuki Kasama, an ex-

change student from Japan who is now attending Libertyville High School; Graveyard Melodies for Physical Education teachers by Linda Hollocker, Karen Van Patten, Mary Lou Geist, Jill Gaston, Kathy Sershon, Charlotte Horton, Judy Maleck and Janet Keisler. The program was brought to a close by the presentation of Daschhund dog planters to the winning team of Chihuahua.

The purpose of the Play Day is to give the girls a chance to use their knowledge and skills in various sports as a means of having fun with one another. Schools do not compete against each other but instead, each team has representatives from all schools and compete in a variety of sports by rotation.

Attends D.P.E. Council

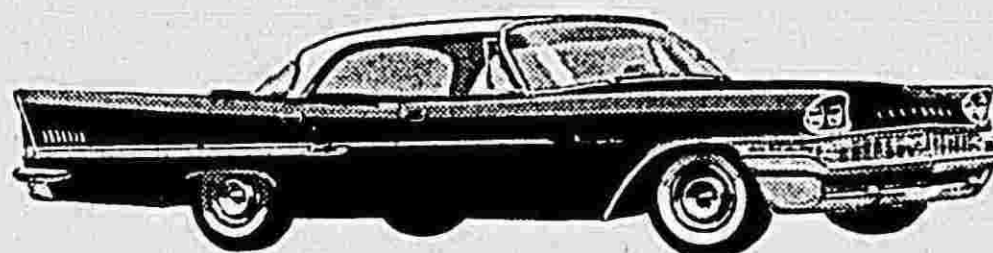

Warren Polley left on Wednesday for Indianapolis to serve as the delegate of the University of Illinois Delta Pi Epsilon chapter at the National Council Meeting of the honorary graduate business education fraternity. The event is being held at the University of Indiana Medical Center there. He will return Saturday and is traveling with John Rau, head of the business education department at New Trier High School at Winnetka, who represents Northwestern University's chapter.

Clarence L. Heath, who had been at Victory Memorial hospital for the past two weeks, came home recently and is convalescing at his home.

New Street from Sequoit Acres to Rte. 173 Built by Village, Will Re-route Much Traffic

The Village Board is taking pride in an accomplishment by which a highway outlet is obtained from Sequoit Acres to Rte. 173.

"It places a whole new advantage to the industrial area," Mayor Murrill Cunningham said, and Trustee John Blackman, chairman of the street and lighting committee agreed, and changing its course, the village.

By filling in 300 feet of a creek was able to stay within the 40-foot obtained from the high school and Dr. George Jensen.

The village asked for additional footage from the high school to skirt the creek, but the school board wanted a parking easement of 18 feet of the 20 feet granted, and additional land east of the creek in exchange.

Irked over this proposal the Board rerouted the creek at an expense of \$300 and did the rest of the work with the aid of a Wauconda firm's machinery.

The street will be known as Anita street, a continuation of the street that goes north through Sequoit Acres. Permission of the county and state has been obtained to enter Rte. 173. This street will permit industries to run trucks to Rte. 173 without going through the business or residential district.

Mayor's Own Dog First Offender

Trustee Herman Holbek was giving his report as chairman of the police committee before the Village Board.

"We took care of one stray dog under the new dog ordinance in October," he said.

Then his face reddened as he continued, "It belonged to Mayor Cunningham, and was picked up and taken home."

Mayor Cunningham grinned as he recalled that the dog ordinance was of his own promotion.

Summer Cottage Burns At Channel Lake Bluff

The summer cottage of Samuel Di-Arcado, Chicago, at Lake street, Channel Lake Bluffs, was ruined by fire last Thursday evening. Fire Chief Edgar Simonsen estimated the loss at \$5,000.

The flames were leaping from the top of the building when the fire was discovered by neighboring residents, who notified the Antioch fire department.

"The building was nearly gone when we arrived," said Chief Edgar Simonsen. He did not know what caused the fire, which appeared to have started in the north end of the building.

Other fire calls were at 1:15 p. m. Saturday at the Herman property between Orchard st. and Sequoit creek where grass was afire.

MOOSE TOPICS

The calendar for coming events at the Moose lodge follows:

Card Party, 8 p. m. Saturday, Nov. 9.

Dance, 8 p. m., Saturday, Nov. 16.

Feather party, 8 p. m., Saturday, Nov. 23.

The Moose mixed bowling league had the services of a very efficient entertainment committee, Mrs. Louis Tanner (Petie), and Mrs. Bernard Osmond (Jen). A meeting of league members with entertainment will be announced soon, probably on Saturday evening. There will be games and dancing.

FIVE ANTIOCH STORES TO GIVE S & H GREEN STAMPS

Five Antioch business places signed up this past week to give S & H Green stamps with purchases. They are as follows:

Art's Paint Store, Card's Western Tire Auto Store, Gibbs & Jensen Sporting Goods, MariAnne's, and Wilton Electric Shop.

S & H Green stamps are nationally known and are redeemable in merchandise.

Barbara Dunlap, of Jackson, Ill., grand worthy advisor of the Order of Rainbow for Girls will visit the Antioch Assembly Monday.

Plush Resort-Motel To Be Constructed On Rte. 21, L. Villa

On recommendation of the Lake Villa Zoning Board of Appeals, the Village Board there has approved the rezoning of a part of the property of the G. William Reynolds estate on Rte. 21 from residence to Business-1 so that Mrs. Beth Scofield can construct a resort-motel.

Construction of the resort-motel, to be called "Villa Carib," was announced in late September by Mrs. Scofield. Her plan was to make the one-time Lake Villa showplace estate—once the retreat of some of Chicago's wealthiest families—a district for fine homes and a swanky resort-motel.

Built in '20's Casa Loma Estates was constructed in the 1920's by a member of the Peacock family of Chicago. It was located in a natural wooded setting bordered by shores of Deep Lake east of Lake Villa village limits.

Mrs. Scofield's plans for development of 40 acres of fine homes on half acre sites brought comment from Harry Carlson, Lake County Zoning officer. He said Mrs. Scofield must be anticipating favorable action of the Board of Supervisors' plans committee in announcing the development plan.

Antioch Band Parents To Entertain Wauconda Band at Public Concert

The Wauconda Grade School band will be guests of the Band Parents Assn. of Antioch Grade School on Jan. 7 and will play for an open meeting to which the public is invited.

These plans were announced Tuesday evening at the third meeting of the Band Parents Assn. for this year held in the school cafeteria.

Forty-three members were entertained by Myrna Masek on the bass clarinet, playing "Nocturne" by Bassi; Harleen Young on the saxophone playing "My Regards," by Llewellyn; Frank Erhardt on the trumpet playing "A Trumpeter's Lullabye," by Anderson; and Cheryl Galati on the clarinet, playing "Gypsy Moods," by Hovey.

Harleen and Frank will be featured soloists at the Christmas concert on Dec. 5.

Following the business meeting refreshments were served by Mrs. Norvin Stoffel, Mrs. Robert Radke, and Mrs. Xavier Schimmel.

Zoning Board to Hear Billboard Setback Rule

A hearing is set by the Lake County Zoning Board for 1:30 p. m. Nov. 25 in the County Board room, Court House, Waukegan, on the resolution of the County Supervisors to consider general amendments to the County Zoning Ordinance. The changes call for uses along all limited access highways, the minimum setback of 300 feet for advertising signs and billboards not connected with products sold in the business on the premises in which they are displayed.

Eric Anderson Re-elected

Eric Anderson of Millburn was re-elected director of the Lake County Farm Bureau to represent Antioch and Lake Villa townships. Exactly 450 members of the Farm Bureau turned out for the 37th annual meeting and dinner Saturday night at Warren Township High School. Lyman D. McKee of Madison, Wis., was the speaker. He identified advertising, merchandising, public relations and research as the four tools in stimulating interest in dairy products.

Wilmot Postpones Banquet

The annual post-season football banquet for Wilmot High School will not be held this year, but the school will stage an all-sport banquet in the spring honoring members of all Wilmot athletic teams, Coach Frank Buccell announced.

In the home, 28,000 persons died accidentally in 1956. 14,300 died in work accidents.

Christmas Eve is the most dangerous holiday period of the year for motorists.

Deer Hunt A Success For Them

J. Stewart and son, Doug of Rte. 2, Antioch, display the deer they shot at Miles City, Montana. Doug's deer is a buck and his father's is a doe. Doug is a member of the Antioch Explorer Scout troop. Al Dettmeyer, Antioch, and Carl Long of Wheaton were in the same hunting party and they too, got a deer apiece.

Village Board Backs.....

(continued from page 1)

greater advantage to this community when the dial telephone system is installed in 1960.

The matter was referred to a committee composed of Trustees Osmond, Holbek and Vos, and a meeting with fire district officers will be sought to ascertain how much the district can help.

The sirens cannot be heard indoors by the volunteer firemen in the wintertime, and sirens in the various parts of the village are not considered desirable.

The firemen were authorized to purchase 500 feet of 1 1/2-inch fire hose.

Need Chairs For Village Hall

Prices will be obtained for chairs for the council room. There weren't enough chairs to seat the few visitors last night. One by one the rickety chairs have been discarded over the years, and the council table itself would fall apart were it not bolted. A desk and chairs will be obtained for the police department. Prices will be sought on a new

back-hoe for the village tractor. The village had to borrow one recently to repair the fire hydrant that was broken by a motorist.

Referred back to Building Commissioner Walter I. Scott for decision on the course to be pursued, was the inquiry of Daniel Putnam, whose building foundation in the north part of the village was condemned as a hazard to children.

5709 6th Ave.

KENOSHA, WIS.

The Antioch News and Lakes Theatre invite Kenneth Frederickson, Rte. 3, Box 585, Lake Villa, Ill., and one to attend Friday, Saturday,

Putnam wanted to know whether he should repair it or demolish it. Trustee Blackman suggested that he demolish it, as too difficult to repair for any purchaser.

The village will respond to Albert Herman's request to clean Sequoit Creek of debris when it was found that an agreement of easement called for this procedure. The creek will not be lowered, however, as was done before.

Trustee John Blackman revealed that the cost of improving five local streets this summer was far below the estimated price of \$7,800, in fact, it amounted to only \$5,745.62, a big saving to the village through use of local labor and supervisions.

The cost by streets was: Williams, \$1,083.86; Corona Ave., \$1,266.12; First street, \$840.88; Windsor Dr., \$813.02; Orchard and David, \$1,332.74 and the rental of a grader \$600.

The new storm sewer on Park Ave. is completed and working good so far.

To pay bills in the road and bridge department, the Board transferred \$5,000 from the general fund. Of this amount \$3,000 will go for a tractor.

The police report was: Tickets for meter violation and no parking zone, 47; tickets paid, 23. Moving traffic offenses, 6; total paid, 14.

Accident, 5, dog bites, 2, telephone and radio calls, 259.

LeRoy R. Bennett, 68, Lake Marie Resident, Buried Saturday

LeRoy R. Bennett, 68 of Lake Marie, Antioch, died October 31, at St. Therese hospital following a brief illness.

Born May 14, 1889, at Bay City, Michigan, he moved to Chicago as a young man and lived there until three years ago when he came to Lake Marie.

He was a member of Tonawanda Lodge No. 247 F. & A. M. of Tonawanda, New York, and the Oakland Kenwood American Legion post No. 774, Chicago. He worked as an operator for R. R. Donnelly and Sons, printers, Chicago.

He is survived by his wife Dessie. Funeral services were held at 3 p. m. Saturday at the Strang Funeral home. The Rev. Dale Van Hovel of the Lakeland Baptist church of Lake Villa officiated. Interment was in Hillside cemetery.

Slove's Bakery took 2 from Fred Maier Service.

Ferris Scharton shot high series with 567. Thomas Hay shot high game of 213.

John Selzer has been laid up this past week with a bad case of the flu. So far the only one in the family to escape it is the oldest boy, Jack.

A speedy recovery is wished to Mr. Robert McClelland who is now back home recuperating from a recent operation in Condell Hospital, Libertyville.

Kathie Henderson, 18 month old daughter of Mr. and Mrs. Craig Henderson, is home from St. Therese hospital where she spent two days having her leg set and observation for it, which she broke in a fall from a chair in her home on Oct. 28. She broke her left leg below the knee.

The Lindenhurst Garden club held the October meeting on Monday, the 28th, at the Men's Club. It was decided by vote to discontinue the meetings during November and December. The next meeting will be January 23, 1958. Further notice will be sent to members. This was a very enjoyable meeting with movies of some of the beautiful homes in Lindenhurst and the movies of the September flower show shown by Alfred Sokolies. After the business session and movies a social hour was enjoyed.

Illinois TAX FACTS

Encouragement by taxpayers should be given to the Seminar on Management Techniques for executives of Illinois government on Nov. 6 and 7 at Pere Marquette State Park, according to a statement released by the Taxpayers' Federation of Illinois. "This is one expenditure of public funds which can bring big dividends in increased management know-how," Maurice W. Scott, Federation executive, said.

More than 30 top-flight administrators representing nearly all State departments and agencies will attend the Seminar. In most cases these are "career" employees—those who have long service with the State government and who plan to make it their life work. They were nominated by department and agency heads as those most likely to benefit from the training.

The Seminar, similar to those held regularly for high-level business and industrial executives, is sponsored

Participants in Conference Play Day Saturday

Among the girls of the Northwest Suburban High School Conference G.A.A. and guests who participated in the Play Day here Saturday are, left to right, clockwise, Judy Sheehan, Antioch, referee; Betty Brandt, Grayslake; Judy Lindquist, Waukegan; Mildred Kelley, Elmhurst; Diane Ruff, Warren; Judy Mason, Libertyville; Lenore Kenor, North Chicago; Gail Redloff, Libertyville, partly hidden; Ellen Clymer, Waukegan, partly hidden; Patricia Dressel, Antioch; Donna Buckley, Round Lake; Erin Rich, Round Lake; and June Dressel, Antioch.

by the Springfield-Urbana Chapter of the American Society for Public Administration in cooperation with the State Civil Service Commission, Department of Personnel and Institute of Government and Public Affairs of the University of Illinois. Professor Phillip Monypenny, President of ASPA, is chairman of the Sponsoring Committee and Maude Myers, Civil Service Commission Chairman, is Co-chairman.

Actual, real-life problems in management, taken from the experiences of those in attendance, will provide

the core of the discussion sessions headed by these leaders: Jack Staehle, Vice President and Director of Industrial Relations, Alden's Inc., Chicago; Earl Planty, Professor of Management, School of Commerce, University of Illinois, who is also consultant for the American Management Association and formerly Executive Counselor, Johnson and Johnson, New Brunswick, N. J.; Melville E. Hosch, Regional Director, U. S. Department of Health, Welfare and Education, Chicago; John Trutter and Lester Dean, Illi-

nois Bell Telephone Company; R. O. McClellan, Supervisor of Employee Relations, Illinois Department of Personnel.

Scott concluded, "The Taxpayers' Federation is concerned with getting full value for the tax dollar, and this is greatly affected by the leadership and motivation provided by executives and supervisors. The whole tone of State government is set by their attitudes and actions. Improvement of executive performance will net a gain for the tax-paying public."

Card of Thanks

We wish to thank all of our friends and neighbors for the many acts of kindness and sympathy shown during our recent bereavement.

Charles Thornton
The Albert Norman Family

Card of Thanks

I wish to express my thanks and appreciation to the members of the Antioch Rescue squad for their assistance during my illness. I also wish to thank my many friends for the gifts, cards and letters sent me during my illness.

Clarence L. Heath

This modern Ranch Style Home built by Louis Albano for his family features today's architectural design for family living. In keeping with the modern styling is Mr. Albano's insurance protection. He selected the all new "Home Owners" package policy — one policy, one renewal date, one premium without overlapping, without gaps. You also can enjoy the convenience of this new modern complete protection with a "Home Owners" policy issued by:

Bel Air Impala Sport Coupe
with the solid quality of Body by Fisher.

NOW CHEVROLET TAKES THE GIANT STEP!

Bel Air 4-Door Sedan
showing new dual headlights.

Here's the biggest, boldest move any car ever made—Chevrolet for '58! New length, a radical new V8, a Full Coil suspension, a real air ride, brilliant new body-frame design! See Chevrolet now.

Talk about news, that's all Chevrolet is for '58... starting with its long, low lines and new gull-wing rear fenders!

There's an engine so new it even looks different—the 280-h.p. Super Turbo-Thrust V8*. Sample it, and you'll know it's different. Combine it with Turboglide*, and you'll boss

the quickest combination on the road.

There's news in Chevrolet's two new rides. You have your choice of a Full Coil suspension and a real air ride*. These brilliant advances outdate, out-cushion anything you've known in the low-price field. Chevrolet's body-frame design is new, and the wheelbase is longer, for a wonderful new handling feel.

For an extra helping of pleasure, see Chevrolet's new super models, the Bel Air Impala Sport Coupe and Convertible. Never before has such distinction been offered in Chevrolet's field. See the giant step at your Chevrolet dealer's now!

*Optional at extra cost.

'58!

Step in... NEW FORD TRUCKS for '58

Step ahead... with all that's new...costs less, too!

• Meet America's newest, most modern trucks—Ford for '58! Discover the new advances in this pace-setting line. See the many advantages that help you do your job better and at lower cost!

Then match your requirements against Ford's over 300 models. Whatever your need—from pickup to heavy duty tandem—Ford's got it! And you'll get a truck that costs you less to own, less to run and lasts longer, too.

So see your Ford Dealer today and step ahead with America's most modern truck—built modern to cost you less.

NEW capacity! Extra-wide Styline pickup bodies have 23% more loadspace than any other competitive pickups... biggest loadspace per dollar!

NEW easy ride! Scientific Impact-O-Graph ride tests have proved amazing superiority of Ford's suspension over competitive pickups... a ride mighty close to that of a car!

NEW comfort! Drivetrain Cabs have non-sag seat springs, suspended pedals and weather-protected inboard steps.

NEW power! Powerful, more rugged V-8 engines! And only Ford offers Short Stroke economy in both Six and V-8!

NEW safety! "Safety Vision" dual headlights... Lifeguard steering wheel... and double-grip door locks... standard on all Ford trucks!

NEW "one-on" convenience! Ranchero offers all power assists, even power windows and air conditioning, factory-installed, at Ford's low prices.

THE BIG FLEETS BUY MORE FORD TRUCKS THAN ANY OTHER MAKE!
FORD TRUCKS COST LESS
...LESS TO OWN...LESS TO RUN...LAST LONGER, TOO!

Margaret Stephens Dies At Waukegan, Tuesday

Mrs. Margaret Stephens, 54, Highland and Green Bay road, Waukegan, died Tuesday at St. Therese hospital, after a week's illness.

She was born September 7, 1903 in Will county, Ill. She lived on a farm in Millburn, until six years ago when she moved to Waukegan.

Survivors are her husband, Harrison H., three daughters, Georgia, Joan and Marjory of Waukegan, a brother, Edward Clow and a sister, Mrs. Mary Stephens, both of Plainfield.

Funeral services will be held at 2:30 Friday at the Millburn Congregational church, with the Rev. L. H. Messersmith in charge. Interment will be in Millburn cemetery.

Fr. Hood Will Bless Gifts to St. Ignatius At Service Saturday

At 8 p. m. Saturday the Rev. Edmund E. Hood, rector of the Parish Church of St. Ignatius will, in solemn ceremonies, bless the gifts and memorials which have been given to the parish over the period of 1957.

Five new sets of Eucharistic vestments, together with a processional cross, water bucket and sprinkler will be blessed at that time. The red and black Eucharistic sets, together with the processional cross will be blessed in memory of Mrs. Ida M. Osmond, life long member of the parish who died Sept. 9. The white Eucharistic set will be blessed in memory of Mrs. Mary Smart, and the water bucket and sprinkler will be blessed in memory of Mr. William Smart. The purple Eucharistic set will be blessed in memory of Mrs. Beatrice Hawkins who died Sept. 9. The green Eucharistic set was given by the Auxiliary of the parish and will be blessed to the greater glory and service of Almighty God.

The service will begin with the Office of Evening Prayer and will conclude with the blessing of the gifts and memorials. All members of the parish are urged to attend, and the public is most cordially invited and welcomed.

Antioch Grade School Pupils Stage Parade As Halloween Event

Under ideal weather conditions the children of the Antioch Grade School staged their annual Halloween parade last Thursday.

The 88 kindergarten children paraded around the school grounds and had their party in the gym. Most of them were in costume.

The grade school pupils, headed by the school band, paraded on Main street to Lake street and back wearing costumes. Back at the school they were treated to balloons, candy and ice cream furnished by the Antioch News and the school. No costume awards were made this year.

Then each room had its games and entertainment with the room mothers assisting in the serving of the treats.

First Services in New Prince of Peace Church, Lake Villa, Held Friday

Father David Lynch read the first Mass in the new Catholic Church in Lake Villa on November 1. The parish was formed in 1955 and the first Mass was read in the gym of the public school on July 30th. Later in the year the Cardinal gave this new parish the name of Prince of Peace.

Construction was started on the church and school in the last half of 1956 and Father Lynch says he hopes to have it complete for Christmas. The appointments are not all finished and in the church as yet. Mass will continue to be held in the new building despite the fact that it is not entirely complete.

School started on time this fall with three nuns of the order of The Poor Child Jesus in charge.

Clarence Olson, Charles Wertz and son and George Holland of Round Lake, returned home recently after a hunting and fishing trip to Canada.

Quaker Buys Mich. Industry
The Quaker Stretcher Co. of Kenosha, one of the world's largest manufacturers of tray tables, has expanded its operation with the purchase of Kently Corp. of Grand Rapids, Mich.

Walter Block, president, well known to Antioch business men, said his company would operate Kently as an affiliate. It makes quality serving trays and Lamvin waste baskets.

Thanks
The Association for Retarded Children wishes to thank the following for their time and assistance on Friday and Saturday, November 1st and 2nd, Tag Days in Antioch.

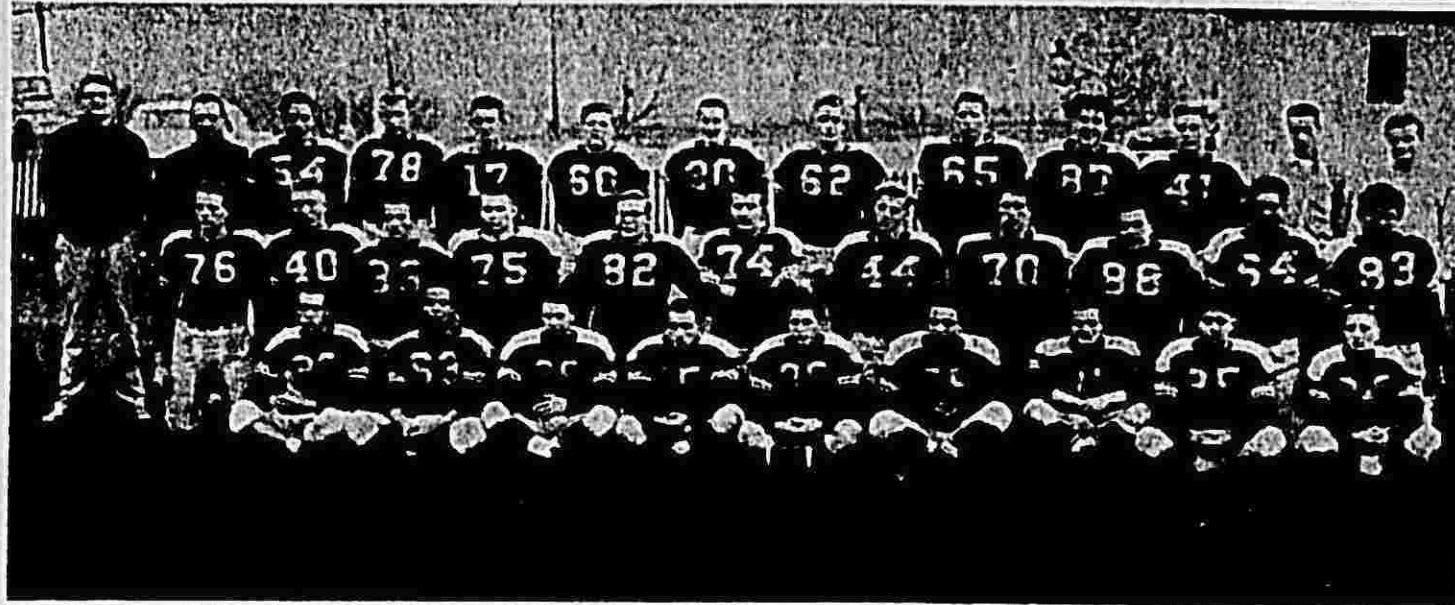

Mesdames Jos. DeStefano, Morris Pickus, Fred May, J. Gresens, members of Antioch Woman's Club.

Jeanne Berg, Patricia Kennedy, Lea Nelson, Patricia Gowlinski and Betty Ford from St. Peter's eighth grade class.

Mr. and Mrs. W. Gann and Mrs. E. Jewell from Central Baptist Church, Lake Villa.

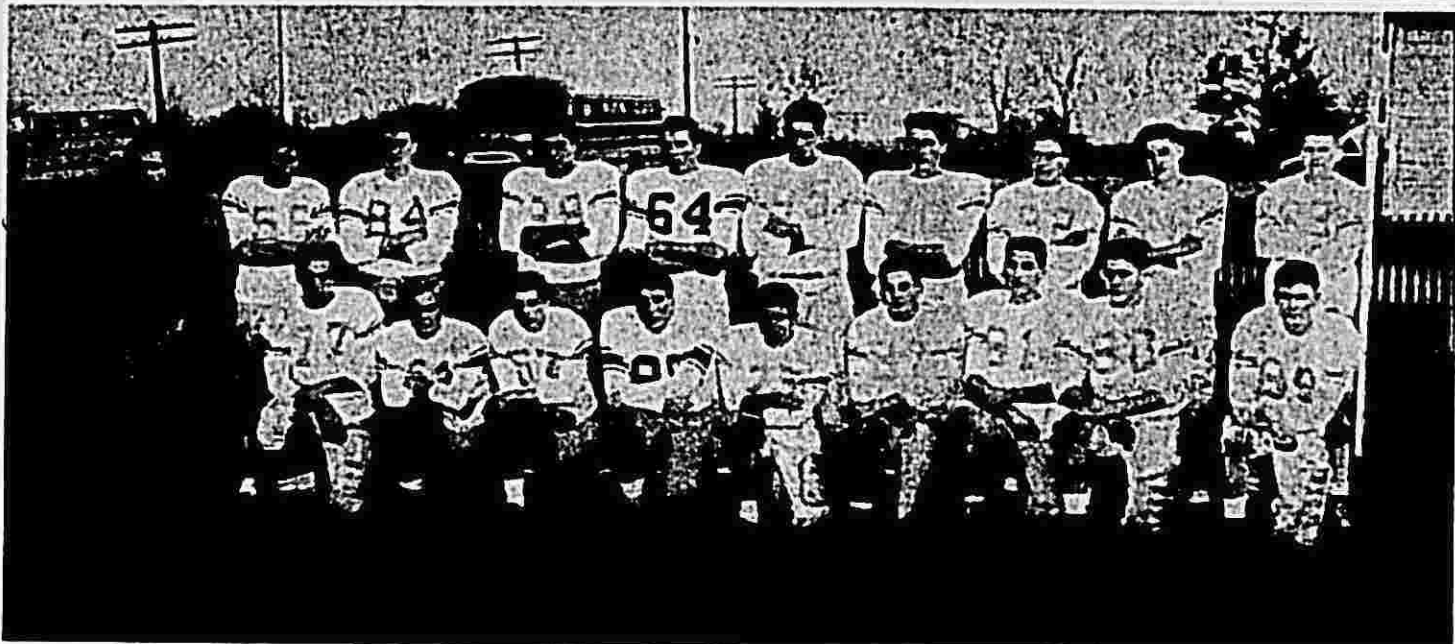

The sum of \$161.74 was collected.

Antioch High School Varsity Squad Loses Several by Graduation

Antioch High's Sophomore Team Gave Promise For Future

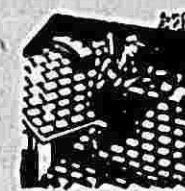

Members of the Sophomore football squad of Antioch Township High School this year are, left to right, front row — Elmer Eberman, Jack Thompson, Dick Wolf, Gary Williamson, Dana Weigel, Ken Stepan, John Welden, John Parker, and Lloyd Porter. Second row — Coach William Rosmoser, Dan Slazes, Dan Seyforth, Wesley Merryman, Phil Mitchell, Bob Martin, Walton Rosquist, George Anzinger, Tom Burda, and Bill Cremins.

Lake Villa Post Office To Move on Saturday

The Lake Villa post office will be moved to its location in the new Earl Hucker building next door to the Village Hall Saturday. Postmaster Joseph Hucker announced. Moving will start at 9:30 a. m., and the office

will be ready for business in the new location by Monday morning. Present equipment will be used until new arrives.

Mrs. Calvin Harden, librarian at the Antioch Township library, was guest speaker at the regular meeting of the Women of the Moose, Wednesday evening.

THE NEW ROCKETS ARE HERE...BRINGING YOU

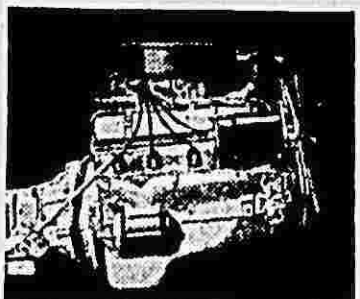

OLDSmobility

...THE NEW WAY OF GOING PLACES IN THE ROCKET AGE I

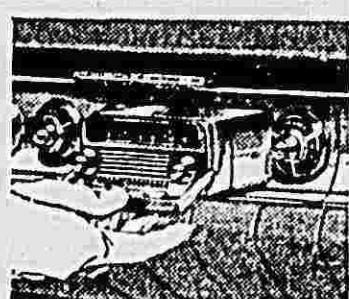

Four-Beam Headlamps increase night-driving safety, reduce glare.

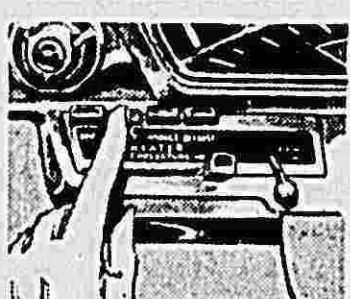

FOR 1958 ... OLDSMOBILE CREATES A NEW CLASS OF CARS !

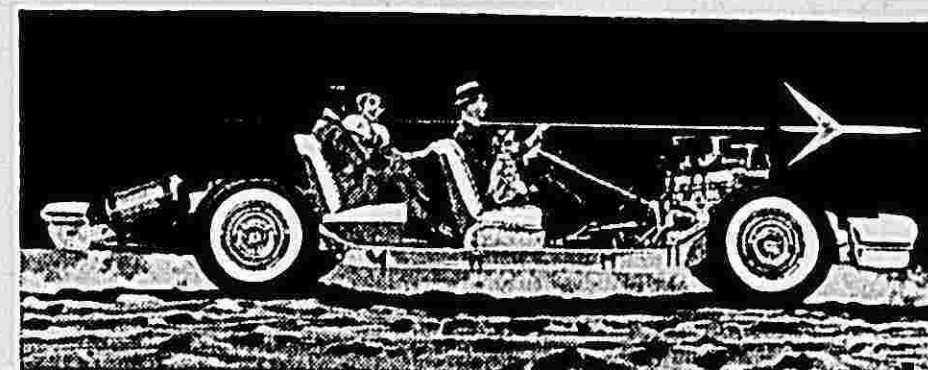

New, more efficient Rocket
Engine gives you outstanding performance. Remarkable improvements in carburetion offer you up to 20% greater fuel economy.

New Trans-Portable Radio
serves as your regular car radio, but can also be unlocked and used as a lightweight, 140-hour battery-powered, transistor portable.

Dual-Range Power Heater
delivers the exact amount of heat or ventilation exactly where and when you want it. You push a button...power does the work!

NEW-MATIC RIDE® (A TRUE AIR SUSPENSION) TURNS ROUGH ROADS INTO HIGHWAYS OF SMOOTHNESS

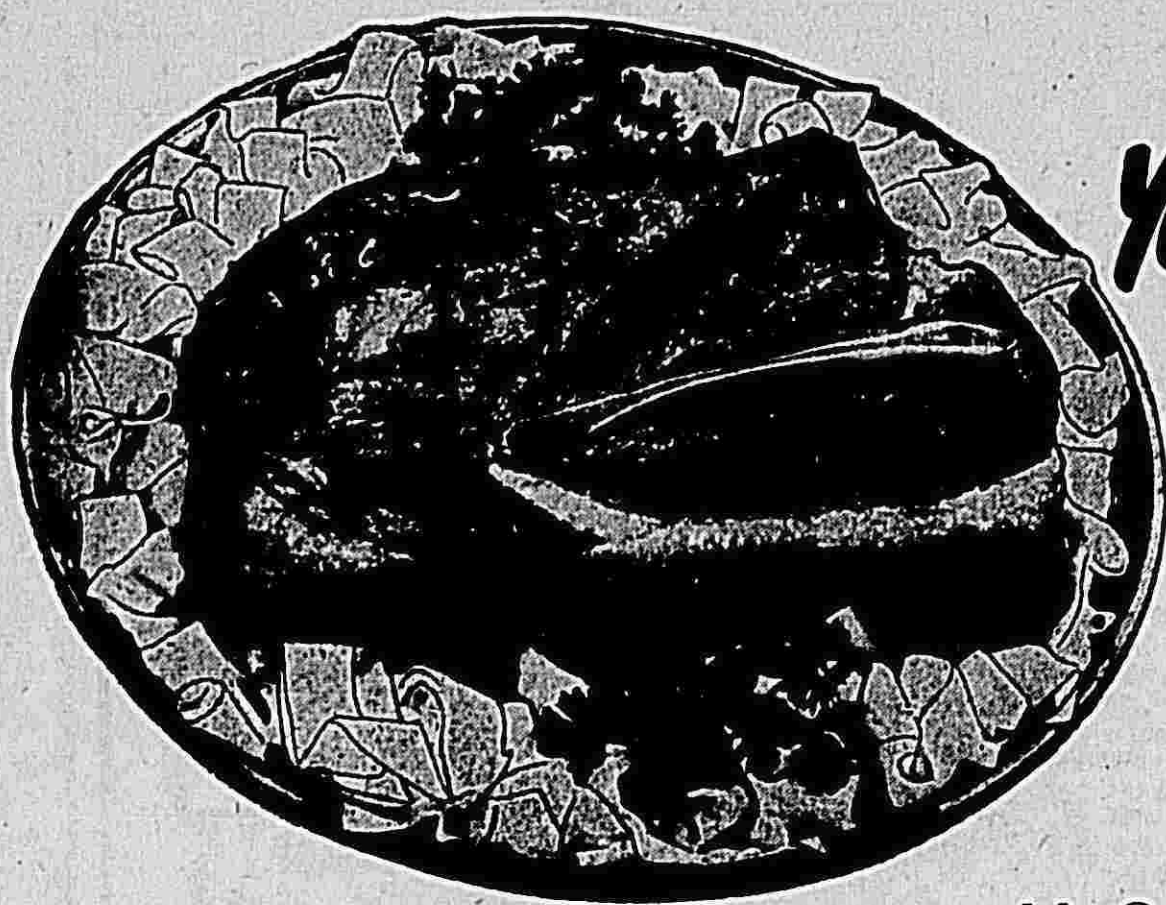

In the 1958 Oldsmobile you'll find most everything you've ever wanted in a motorcar—outstanding styling; smart, tasteful design; delightful new features; alert new Rocket Engine performance; supreme comfort; daring new colors and fabrics. And most important of all, you'll find real down-to-earth operating economy! As never before, Oldsmobile for '58 gives you true big-car size, big-car comfort and handling, big-car smartness—combined with budget-car thrift. Once you Rocket-Test the '58 Olds, you'll know for sure, that from its safer Four-Beam Headlamps to its sparkling Twin Blades—it's the biggest value in Oldsmobile's 60-year history!

*Optional at extra cost.

Where Do You Find Only U. S. CHOICE BEEF?

You Can Depend on Jewel

JEWEL KNOWS YOU DON'T WANT BEEF AT THAT "AWK-WARD AGE"—too old to be good veal, too young to be good beef. Quality beef (the kind you want to serve your family) comes only from heavy, full-grown one to two year old cattle. And from these, Jewel buyers select only government graded U.S. Choice Beef for you!

Then each cut of this U.S. Choice Beef gets the famous Jewel Extra Value Trim. Take pot roast for example: all excess fat and bone are removed before weighing—only enough fat is left for tender, juicy cooking.

U.S. Choice Beef . . . Extra Value Trim—No wonder you expect a Jewel Pot Roast to taste better.

BOWLING

Thursday Night Bi-State League
October 31, 1957

John Gaa & Son swept three games from Haydon Homes to go into a first place tie with Kirchmeyer's, who were losing two to Linder's Liquor. There are only four games separating the first eight teams.

Kirchmeyer had high team series and high team game, 2725-972.

Bud Conrad had high individual series—825, and Ed Slavik had high individual game—229.

Conrad's Cozy Corner won two from Adolph's.

Esther Williams won two from Cunningham.

Antioch Sheet Metal won two from Masek's.

Hickory Inn won two from Rudolph's.

This WEEK'S
U of I MARKET BUY

Poultry meats are plentiful and cheap. Meat prices trend upward. Fresh fruit and vegetable quality ranges widely as aftermath of western and southern storms. New crop arrivals and competitive prices can be expected for tangerines, cranberries and Anjou pears. Wholesale pressures are being built under a wide range of grocery items. Retail reflection of increased costs varies by stores. Large eggs slightly lower, medium sizes higher priced.

Chicago Market Values

Beef: Sirloin and T-Bone Steaks—Blade Cut Pot Roast.
Pork: Bacon—Fresh Boston and Rib Roasts—Spare Ribs.
Poultry: Fryers—Tom Turkeys—Medium Sized Eggs.
Groceries: Beef—Tomato Juice—Cream Style Corn.
Produce: Apples—Pears—Small Oranges—Celery.

Western Tire Auto Store took two games from Salem King Pins.

Merry-Go-Round Bakery took two games from Dick's Tree Service.

Drije Chevrolet won two games from Truax Trucking.

Monday Night Owl League

November 4

Pete's Cities Service had high team series with games of 773-834-812 and a total of 2419.

Frank Hartnell was high individual scorer having games of 174-202-172—548 total.

Pete's Cities Service beat North Shore Resort all three games.

Four Aces beat Lyons-Ryan Ford all three games.

Rox's Lake Park beat Nick's Shell Service all three games.

Hank's Wayside Inn beat Wally's Channel Inn.

Mason Shoes won two games from John's River Inn.

Knickerbocker's took two games from C. Smith Building Co.

Wednesday Night Businessmen

October 30

George's Bar had high team series with games of 840-919-735—2494.

M. Griebel of Decker's Tavern team was high individual scorer, having games of 156-185-209—550.

Pickard China won two games from Gaston Printing.

Lasco's Honeydippers won two games from Willow Farm.

Decker's Tavern took two games from Lahti Oil.

Grove Supply took two games from Weber Duck.

George's Bar won two games from VFW.

Badger Auto, Salem, won two games from Bill's Service.

If you want to sell — phone 43 or 44 and tell.

Remember the words of the Lord Jesus, how He said, It is more blessed to give than to receive.—(The Acts 20, 35.)

Often, when spontaneously bestowing a friendly smile upon a lonely person, or a word of deed of help and encouragement to one in distress, we have been wondrously rewarded by such an inner satisfaction as a fortune in dollars could not equal. Indeed we are blessed when we give, unselfishly, and in love.

COUNTY ZONING NOTICE
STATE OF ILLINOIS } ss.

COUNTY OF LAKE }
TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in Lake County, Illinois, that a public hearing will be held on November 25, 1957, at 1:30 P. M., in the County Board Room, Court House, Waukegan, Illinois, pursuant to a Resolution adopted October 9, 1957, relative to a proposal to consider general amendments of the Lake County Zoning Ordinance, affecting uses along all limited access highways, the minimum setback for advertising signs and billboards not connected with products sold in the business then being conducted on the premises, and not advertising for sale the premises upon which they are displayed, shall be three hundred, (300) feet, or more, from the right of way line of said highways, said

Ordinance being adopted April 25, 1939 and amended thereafter.

As a result of the petition of COUNTY OF LAKE, STATE OF ILLINOIS, by its Board of Supervisors, which is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard. LAKE COUNTY ZONING BOARD OF APPEALS

Samuel J. Sorenson, Chairman
Dated at Waukegan, Illinois, this 7th day of November, 1957.

LITTLE BILL says:

6¢ a load
is all you pay—
to dry the clean
electric way

An electric dryer does a full 8-lb. load for only 6¢: 2 double sheets, 2 pillowslips, 2 bath towels, 2 face towels, 2 dish towels, 1 pair of pajamas, 2 pairs of men's shorts, 3 pairs of socks, 6 handkerchiefs, and 2 T-shirts. 25 to 30 minutes is all it takes to dry this load!

Nothing's faster, nothing's cleaner—
and electric dryers are completely automatic

COST?
ELECTRIC DRYERS
cost
\$30 to \$60 less
to buy
than any other kind

Today's modern electric dryers will dry a full 8-lb. load of wash for just six cents.

And clothes stay clean and smell clean when they're dried in an electric dryer. No fumes can ever mix with garments. Electric heat is clean, dry, radiant heat—just like the sun.

It takes only 25 to 30 minutes to dry a full load of cottons electrically. This means your dryer will easily keep up with your automatic washer.

All electric dryers are fully automatic. No complicated igniting devices to get out of order.

And, as your electric appliance dealer will tell you, electric dryers cost less than any other type.

See your electric appliance dealer

LAKE & BROADWAY

ANTIOCH, ILLINOIS

U. of I. Food Report

CHICAGO—Transitional live and wholesale markets this week result in generally higher retail meat prices, the exceptions being these major values:

Pork loins, butts and spare ribs in the fresh lines and bacon in cured items; frying chickens and tom turkeys in poultry, and as a spot value in beef, blade cut pot roast.

Fresh produce markets are characterized by a generally good consumer price position—with questionable quality situations due to the aftermath of south and southwestern storms. Definite values include: potatoes, dry onions, midwest squash, cabbage, celery, apples, small oranges and pears. Continuing high prices show on snap beans and carrots. To command promotional attention in coming days are new-arrival tangerines, cranberries, D'Anjou pears.

In the egg department, a narrowing price spread—slightly higher on medium size, slightly lower on large size—still gives the value nod to the smaller grade A whites.

Higher prices are expected to develop for canned foods—although this week there is very little change. Higher labor, processing and transportation costs prompt this prediction rather than the supply (high storage) situation.

The University of Illinois consumer service in its weekly retail food summary for the week ending Nov. 9 notes these factors in regard to cattle, hogs and poultry:

1. Livestock prices are generally stronger at the time when hogs are reaching peak seasonal supplies. But there are weak spots that set up the pork loins, butts, ribs and bacon values. Beef also firmed, particularly in steak lines which quote generally 10c per pound higher than last week's lows, leaving blade cut pot roast as the spot value. Lamb also is higher, veal unchanged.

2. In poultry, the fryer value is caused by lots of competition at retail levels. Turkeys, meanwhile, moved into higher price patterns despite record storage stocks. There are nearly 100,000,000 pounds of turkey in storage—up some 47,000,000 pounds over last year. Considering the overall situation on hens, Beltsville and toms—the latter still emerges as the turkey value.

The U. of I. rates the upward price movement in meats as temporary, however, and reports these typical prices showing this week:

Pork—Boston butts are feature priced from 35c, rib roasts could be pegged at 29c depending on cutting methods but more generally range 35-39c. Meatier loin ends range mostly 45-49c. Center cut chops quote 75-79c in many stores. Spare ribs quote a bargain 43c price. Top line hams range 59-65c value level, hams again quote higher 55-59c for whole smoked, small smoked Boston butts 75c, and picnics usually from 39c.

Beef—Sirloin and porterhouse steaks quote generally higher by 10c per pound, respectively 89c and 98c. Round steak quotes higher, too, ranging 69-79c generally. Roasts move up, with blade cut pot roast the exception at 39c to become a spot value, although the general Chicago market quotes 45-49c. Other roasts price up accordingly.

Dairy—Higher milk prices are talked of, although the Chicago milk shed situation is reported as "surplus." Supplies of large eggs increase and prices decline an average 2c dozen. Medium sized eggs are the relative consumer value.

Groceries—Peas, tomato juice and cream style corn are the top values.

The Lakes Theatre and The Antioch News invite Charles Moran, Rinear Road, Antioch, Ill., and one to attend Friday, Saturday, or Sunday's showing of "Public Pigeon No. 1" and "Flight to Mars" at the Lakes Theatre.

SWEETING STYLING CHANGES ARE APPARENT IN THE 1958 FORD CAR LINE. The Fairlane 500 Town Victoria (right) and Fairlane Club Victoria (left) share with all new Fords such dramatic styling changes as new safety dual headlights, corrosion-proof anodized aluminum grille, power flow hood, all stream roof, sculptured inverted V trunk lid and twin safety taillights. Engineering and design advances include new engines, new Cruise-O-Matic transmission and optional Ford-Aire suspension. The new Ford car line will be on display at Ford dealerships on November 7.

1958 Ford Features Efficient New Engine

The 1958 Ford car line featuring major styling changes, the most efficient engines in the car's history, a new automatic transmission and new optional air suspension, will go on display at Ford dealerships today (Nov. 7). J. O. Wright, Ford Motor Company vice president and Ford Division general manager, announced today:

"At a cost of \$185,000,000 we have developed a new Ford that incorporates some of the most extensive changes ever made in the car," Mr. Wright said.

Historically, auto companies have made basic changes in their cars every three years, he pointed out. "But in its 1958 models, Ford has actually created fundamental design and engineering changes just one

year after its completely new 1957 model," he said.

Demonstrating this change are twenty-one models on two separate wheel-bases; the Fairlane and Fairlane 500, with an overall length of 207 inches, and the Custom, Custom 300 and the station wagon, measuring 202 inches.

The external appearance of the new car features Ford's sculptured-in-metal treatment in which styling lines are molded into the sheet metal itself.

The new distinctive styling is emphasized in a front view of the massive wrap-around one-piece bumper with anodized aluminum "jet intake" grille, dual headlights and Power Flow hood. New sheet metal treatment incorporates redesigned front fenders, new roof with seven front-to-rear flutes or grooves, and trunk lid and rear quarter panel innovations. From the rear, the 1958

Ford is distinctive with a "V" sculptured trunk lid flaring into twin safety oval tail lights.

Ford introduces the newest and most modern V-8 overhead valve engines in its 1958 line—the 332 and 352 cubic inch displacement engines. The result of more than 25 years' sales and engineering leadership in V-8 engines, these engines combine new highs of efficiency, durability and economy with the added time and cost saving of quick service accessibility.

The new 332 cubic inch engine, which will be standard on the Fairlane, Fairlane 500 and station wagon series, is available as an extra-cost option in the Custom and Custom 300 series. The 352 cubic inch engine is an extra high performance option on the Fairlane, Fairlane 500 and the station wagon series. The economical "Mileage Maker" six is available for most models and the

292 inch cubic inch V-8 engine is standard on the Custom and Custom 300 series.

The new engines feature completely machined, wedge-type combustion chambers, larger, cooler running valves, new carburetion and exhaust porting and direct flow intake for peak performance at all engine speeds. Each engine is electronically mass balanced while running at operating speed and temperature under its own power.

Cruise-O-Matic, an automatic transmission combining instantaneous "solid" response with nearly imperceptible up-shifting, is new for 1958. Coupled with the four-Venturi 332 and 352 cubic inch engines and a low rear axle ratio, Cruise-O-Matic provides a new power train that combines overdrive economy with automatic transmission convenience, first such combination in the industry. The new transmission introduces a new drive position for solid feel take-off or all-out acceleration through all three gear ranges. An improved Fordomatic transmission also is available.

Also new will be air suspension, optional for Ford Fairlans, Fairlane 500's and station wagons with V-8 engines and automatic transmissions in 1958.

Air domes, made of specially

strengthened rubber reinforced with steel sleeves, substitute for springs at each wheel. Air pressure inside the domes, which is supplied by a compressor and air storage tank, varies according to the weight of the passengers and luggage to keep the air at a constant height and optimum springing for a "boulevard ride." Switches on the car's doors operate valves to quickly readjust height and balance when passengers enter or alight. Other valves make slower adjustments for luggage, etc.

Ford also continues its policy of improving safety packaging for driver and passengers, which it pioneered in its 1956 models. The deep center steering wheel, shatter-proof rear view mirror and safety door locks, standard in all models, and the optional seat belts and padded instrument panel and sun visors all have been improved for 1958.

Exterior trim and interior fabrics and color treatments will be new for 1958 as will distinctive two-tone combinations of new colors. Optional equipment includes a full line of power assists, two models of transistorized radios, two models of air conditioning units, and two types of heaters.

For quick results, place a want ad by calling 43 or 44.

Proved and approved around the world and now it's here for you... the 58 FORD

One look tells you... there's nothing newer in the world!

You'll ride in a new world of style in the 58 Ford.

New deep-sculptured styling
New Interceptor V-8 power
New Cruise-O-Matic Drive
New Ford-Aire Suspension
New Magic-Circle Steering

The 58 Ford is the newest car in the world—the only car ever to meet a world-wide test and win world-wide approval before its public premiere.

Here's a car so new, so beautiful it made eyes pop from Paris to Pakistan... a car so rugged it proved its mettle in a road test around the entire world! What's more, it did it on surprisingly little gas—thanks to new Precision Fuel Induction. Come in and let us show you the world's most beautiful new bargain!

You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction. There's nothing newer than these engines that give you up to 300 hp. Smoother power! From less gas! One secret is Precision Fuel Induction, a wonderful new carburetion, fuel feeding, and combustion system.

You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New D1 position, used for all normal driving, lets you move smoothly, automatically—with just a touch of your toe—from solid-feeling take-off right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with Ford-Aire Suspension. Four air pillows literally soak up the bumps! And Ford's new air suspension relieves the car every time someone steps inside or luggage is loaded. An extra cost option, you get all this at traditionally low Ford prices!

You'll steer with a feather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling ease. Free-moving steel balls in the steering mechanism are virtually friction-free—give you the closest thing yet to power steering! Come in and try it!

Come in today... Action Test America's only world-proved car!

B-58 BUICK

When better automobiles are built Buick will build them

**Born of more
Aircraft Principles
than any other car yet built**

HERE — coming to you from the freshest blueprints in years — is a car built to make your driving as modern as your thinking.

This one's built with more aviation principles throughout than any car before.

There's a greater use of airweight aluminum in its form and structure — in its engine — in its styling — even in its quick-cooling brakes.

There's an air-borne feeling of flight in its performance with Buick's B-12000 engine and with Flight Pitch Dynaflo* that can switch the pitch a million ways.

And everywhere you go — you travel in new

skyway comfort with Buick's Miracle Ride plus Air-Poise Suspension.*

So this is a car of truly exciting ideas for 1958 — the Air Born B-58 Buick. And you should see it and drive it at your Buick dealer's soon. Come on in today.

NEVER SO MUCH SO NEW

- * Fresh bold styling with the Dynastar Grille.
- * The Miracle Ride plus Buick Air-Poise Suspension.*
- * Flight Pitch Dynaflo* with the instant flexibility of a million switches of pitch.
- * B-12000 Engine with 12,000 pounds of thrust behind every piston's power stroke.
- * Air-Cooled Aluminum Brakes* with smoother, surer control and longer life.
- * "Velvet Wall" Sound Silencing.

* All built to exacting quality standards.

*Flight Pitch Dynaflo standard on LIMITED and ROADMASTER 75, optional at extra cost on other Series. Air-Poise Suspension optional at extra cost on all Series. Aluminum Brakes standard on all Series except the SPECIAL.

SEE IT NOW

THE AIR BORN B-58 BUICK

* See TALES OF WELLS FARGO, Monday Nights, NBC-TV and THE PATRICE MUNSEL SHOW, Friday Nights, ABC-TV.

New Buick Special for 1958

THE BOLD LINES OF BUICK'S 1958 styling are exemplified in the luxury and beauty of the Buick Special, the big volume seller in the Buick line. Dual headlights and a dazzling new grille add breadth and lowness to the front end design. The Special, which is mounted on a 122-inch wheelbase, boasts new and bigger brakes, and exquisite new interiors that complement the glamorous exterior colors. The new miracle air ride and either variable pitch or the revolutionary flight pitch Dynaflow are optional equipment on the Special series which comes in seven models.

GAS "Burner-with-a-Brain" BIG PRIZE Contest

1ST PRIZE \$1000.00

2nd PRIZE \$500.00; 3rd PRIZE \$250.00
plus BONUS AWARDS!*

Here's All You Have to Do!

1 See the Wonderful GAS "Burner-with-a-Brain."

Just go to your nearest Northern Illinois Gas Company store or any gas range dealer located in the area we serve. There, you'll learn about the marvelous new gas "Burner-with-a-Brain"! You'll discover for yourself how automatic modern GAS cooking can be. You just dial the temperature you want and heat is perfectly maintained by a dependable thermostatically controlled device, called the "Burner-with-a-Brain". It makes your pots and pans automatic! Foods can't scorch or burn... you can relax instead of being chained to the kitchen "watching the pot".

2 Obtain an Official Entry Blank!

Ask for an official entry blank at the store where you see the GAS "Burner-with-a-Brain". Complete the statement in 25 words, or less, on why you like the GAS "Burner-with-a-Brain". That's all you have to do. Another nice thing about this contest is that it's limited to you and your neighbors served by Northern Illinois Gas Company... so you have a better chance to win! Don't delay... contest closes midnight, Saturday, November 30, 1957.

*Special Bonus Awards, too!

Prize winners will be given a special bonus award if they have purchased a gas range during the contest from Northern Illinois Gas Company, or a gas appliance dealer located in the area we serve. This award will be in an amount equal to the purchase price of the range bought by the prize-winner.

on Mr. and Mrs. Leland Hasselman
and Mr. and Mrs. Ralph Brown,
Pleasant Prairie, Sunday.

Mr. and Mrs. Elverus Sponholtz,
Genoa City, were Sunday guests of
Mr. and Mrs. George Higgins.

Mrs. Ella Hoffman spent from
Wednesday to Thursday with Mr.
and Mrs. George Higgins before go-
ing to Milwaukee for the winter
months.

"THE TEN COMMANDMENTS"

DUE AT ANTIOCH THEATRE

Cecil B. DeMille's Production
"The Ten Commandments," the
mammoth dramatization of the
life of Moses, will open Wednesday,
Nov. 27, at the Antioch Theatre.

Cast with over 25,000 players, the
VistaVision, Technicolor colossus
stars Charlton Heston, Yul Brynner,
Anne Baxter, Edward G. Robinson,
Yvonne De Carlo, Debra Paget and
John Derek. Starring also are Sir
Cedric Hardwicke, Nina Foch, Mar-
tha Scott, Judith Anderson and Vin-
cent Price in key roles, with a large
and distinguished supporting cast of
top-liners.

Filmed in part in Egypt on the
shores of the Red Sea, in the Sinai
deserts and on the slopes of Mount
Sinai, ten years in the making, the
three-hour, thirty-nine-minute Para-
mount film backgrounds the story of
Exodus with spectacle of a di-
mension that is history-making in
its scope.

Not Licensed in Illinois

Joseph S. Gerber, director of the
Illinois Department of Insurance,
warned all Illinois citizens to be
on guard against solicitation of
insurance by representatives of the
Pioneer Auto Insurance Company.

The director said that this com-
pany is not licensed to conduct an
insurance business in the state.
Gerber stated, "Information which
has come to our department that
this company is licensed to transact
an insurance business in the state
of Alabama has been denied by
James J. Horn, commissioner of
insurance in Alabama."

The department urged all citizens
to be on guard against solicitation
of this insurance not only by their
representatives but also by soli-
citation through the mails.
